KOCO's Policy on Toys From Home

In our continued effort to ensure that every child's learning experience is safe and stress-free while at our center, all classrooms will now prohibit toys that promote violence or aggressive role-playing. Please do not permit your child to bring toy weapons or fighting action figures to KOCO.

If your child would like to bring an educational toy, game or book to share with classmates, please check beforehand with your child's teacher. Belongings from home will otherwise be placed in your child's cubbie while they are at KOCO.

Some classroom teachers will allow toys from home as a special treat, or during special times like school vacations. Please do not send expensive electronic devices with children as we cannot guarantee that they won't be lost or broken.

Thank you for your understanding and support.

KOCO Facility Rental

The Board of Directors of Kids of Chatham Organization, Inc. invites KOCO families to use our facility during off hours for children's parties or other (non-alcoholic) events. For a suggested donation of just \$50 for 4 hours, your group may use our spacious Schoolage Room equipped with bathrooms, kitchen (no cooking please), tables and carpet area. For more information, or to schedule your event today, please contact Roxann in the Office.

Thank you...Thank you...

...to everyone who makes contributions to KOCO through the United Way.

...to everyone who has made a donation towards Operation Paintbrush.

...to March Movie Night chaperones: Grace and Lily's dad (Tim Cronin), Autumn's dad (Mike Houle), Jessica's mom (Lisa Cohen), and Jordyn's mom (Jennifer Carhide).

...to everyone who donated toys, games, furniture, clothing and computers.

Spring has sprung!
It's time to smile!
