East Hampton Public Schools 2 hour delayed opening October 21, 2009

East Hampton Public Schools will have a planned 2 hour delayed opening the morning of October 21, 2009.

Due to staffing and space constraints, only those students already *contracted* to attend our Before School Care can be accommodated at KOCO during public school delayed openings.

Although October's delayed opening has been scheduled by the school district in advance, icy weather will also cause unanticipated last-minute school delays throughout the winter.

We encourage parents to be proactive and make alternate care arrangements in advance for this and other public school delayed openings. Thank you!

Thank you...Thank you...Thank you...

...to Maddy and Emma's mom (Tina Lanzi) for providing American Red Cross First Aid and CPR training to Roxann, Janet, Krista, Shonagh and Danielle two evenings last month.

...to Miller's dad (Chris Koziel) for his generous donation of time and effort in fixing, installing and replacing a variety of broken items around the center.
