KOCO Summer program is over. Please take home your child's bathing suit, towel and water shoes. We will keep using sunscreen until October. Playing all day in the hot sun is thirsty (and hungry) work. Please remember to pack plenty of snacks and beverages for your child each day! Water, water, water!

Pirates invaded the Kindergarten classroom during our summer program.

TASC boys take a running jump onto the Slip 'n' Slide. What a great way to stay cool on a hot summer day!

IMPORTANT NOTICE

KOCO 2009-2010 Contracts are past due!

If you have not already turned in a contract, see the office as soon as possible to check space availability for your child this fall. Most of our programs are already at capacity, many with extensive waiting lists. Enrollment can no longer be guaranteed from year to year without a completed contract, even for families previously enrolled. KOCO Contracts for 2009-2010 are available in the office, or on our website: kids-of-chatham.org.

"What was your favorite part of summer vacation at KOCO?"
