 RE: KOCO Summer, 2010 Calendar

We are pleased to present the KOCO 2010 Summer Program! Please use this calendar as a guide to upcoming themes, events, visitors and field trips. As you can see, this summer's themes will be presented on a weekly basis. All children will enjoy special center-wide days, such as Grandparent Day and Bike Rodeo. Children in different-aged programs will have frequent opportunities to interact (Reading Buddies, Drama Club, etc.). Finally, while all programs will receive age-appropriate classroom visitors, only children in Kindergarten, Schoolage and TASC will go on summer field trips.

Watch the KOCO foyer for up-to-the-minute information regarding all activities listed (due to unforeseen circumstances, plans can sometimes change at the last moment). A center-wide notice will be posted on the front door each week with current, detailed activity information. In order to help us provide the richest, most interactive summer experience for your child, please check the weekly notice for special home requirements (disposable lunches, pajamas, etc.).

## Summer's Coming: Let's Prepare!

Finally, the winter's left us.  
 Summer's on its way.  
 Time to get ourselves prepared  
 To go outside to play.

The sun is getting stronger  
 And the grass is getting green.  
 Time to **check for ticks** and please  
**Replace your old sunscreen.**

We go outside each day, of course,  
 And sometimes splash in water,  
 So **send a bathing suit and towel**  
 For every son and daughter.

Outside play is thirsty work  
 So **send in lots to drink.**  
 For those who keep a **change of clothes,**  
 It's time for shorts, I think.

Last of all, but most important:  
**Label everything!**  
 We wouldn't want to lose the stuff  
 You took the time to bring!
